

Pinello Inside

Enhance your base cabinets. Pinello Inside transforms unused base cabinet space into practical storage. Perfect for bottles, cleaning items or towels – offering clarity, secure hold and one-minute installation.

PRODUCT OVERVIEW

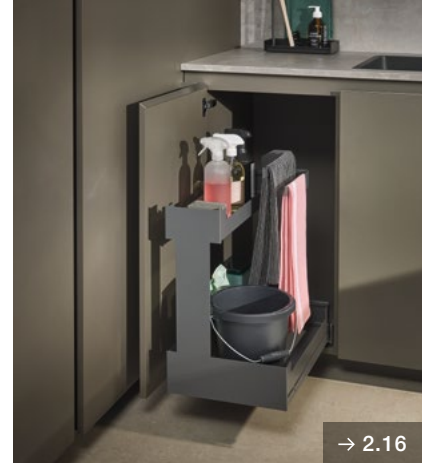

Pinello Inside Cargo

Full-extension interior pull-out for base units with hinged doors

Pinello Inside Sink

Asymmetrical, full-extension interior pull-out for under-sink cabinets with hinged doors

Pinello Inside Towel

Full-extension interior pull-out with integrated towel rail for base cabinets with hinged doors

Pinello Inside Spice

Small, full-extension interior pull-out for base units with hinged doors

Internal pull-out Pinello Inside Cargo

Enhance your base cabinets – the full-size option

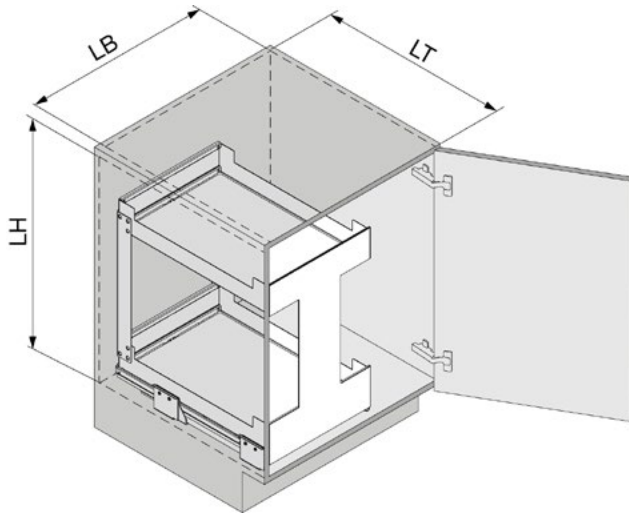

The versatile full-extension pull-out for bottles, groceries and kitchen accessories is the perfect solution for anyone who values clarity and easy access. It is particularly ideal for installation next to water treatment devices, where it turns empty space into storage areas. Its closed shelf bases and non-slip silicone mats (included with the product) keep everything securely in place. Optional accessories allow for further customised use of the pull-out. Attach and secure: Pinello Inside Cargo can be installed in just one minute and can be retrofitted at any time in base cabinets with hinged doors.

FEATURES AND BENEFITS

- + Optimal overview and easy access thanks to the full-extension pull-out
- + Ideal for use next to water treatment equipment
- + Easy to retrofit in base cabinets with hinged doors
- + Liro design enables multiple, individual styles
- + Maximum use of space thanks to thin-walled yet extremely sturdy metal shelves
- + Keeps items secure
- + Optional accessories allowing customised use of shelf space

Internal pull-out

Pinello Inside Sink

Enhance your base cabinets – the under-sink option

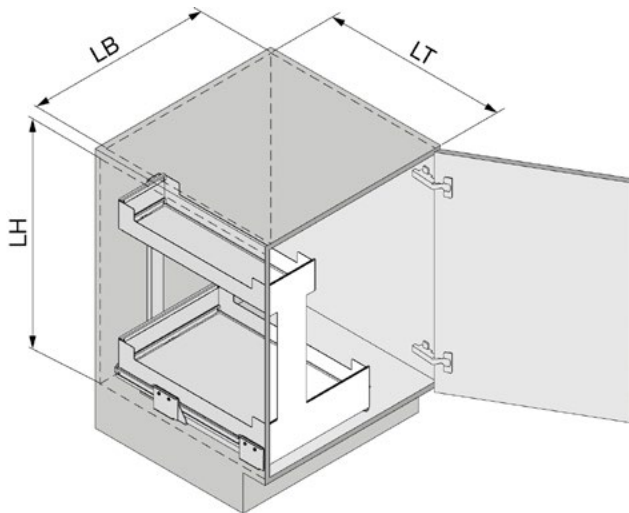

Transform the unused space under the sink into practical storage space with Pinello Inside Sink. Organise your bottles, cleaning products and cleaning equipment and keep them within easy reach with this full-extension pull-out for base cabinets. Removable non-slip silicone mats ensure that stored items are held securely and that the pull-out can be kept clean. The slim upper shelf leaves sufficient space for the sink trap and allows for flexibility in planning. Attach and secure: Pinello Inside Sink is mounted on the base of the cabinet and can be fitted on either side. Retrofitting in existing kitchens takes just one minute and requires neither cabinet conversion nor special tools.

FEATURES AND BENEFITS

- + Ideal for use in under-sink cabinets
- + Optimal overview and easy access thanks to the full-extension pull-out
- + Easy to retrofit in base cabinets with hinged doors
- + Maximum use of space thanks to thin-walled yet extremely sturdy metal shelves
- + Optional accessories allowing customised use of shelf space
- + Liro design enables multiple, individual styles

Internal pull-out Pinello Inside Towel

Enhance your base cabinets – the towel-rail option

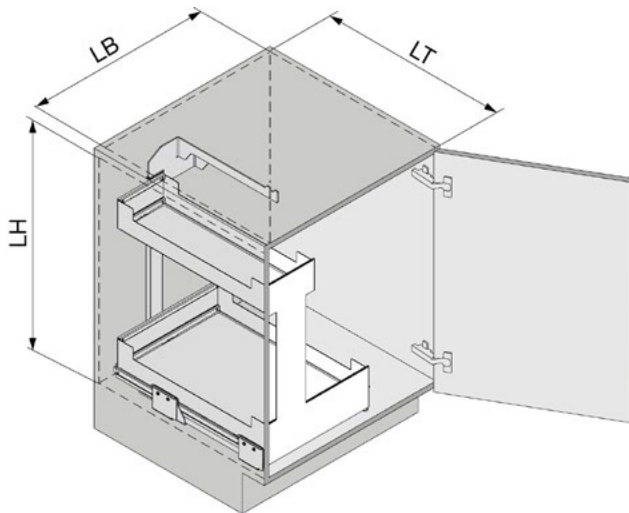

Practical and hygienic: Pinello Inside Towel makes optimal use of the space next to water treatment equipment. Towels hang out of sight to dry, and there is plenty of space for cleaning products and accessories. The full-extension pull-out provides an excellent overview of and easy access to stored items, even when towels are hanging to dry. Removable non-slip silicone mats keep stored items secure. The pull-out can be precisely installed in one minute, can be fitted on the left or right side and is easy to retrofit – without any modifications. The shelves can be custom organised using the optional accessories.

FEATURES AND BENEFITS

- + Ideal for use next to water treatment equipment
- + For storing and drying towels out of sight
- + Optimal overview and easy access thanks to the full-extension pull-out
- + Easy to retrofit in base cabinets with hinged doors
- + Liro design enables multiple, individual styles
- + Maximum use of space thanks to thin-walled yet extremely sturdy metal shelves
- + Keeps items secure
- + Optional accessories allowing customised use of shelf space
